

Lucky lucky me
Marvin Gaye

G# F# G# Eb

Lady Luck shows my love me
Oh, When she blessed me with your loving charms
I ve found my place in the sun
With heaven right here in your arms

I feel so lucky, so lucky baby
Oh, lucky to be loved by you
And I wanna thank you, thank you baby
For all the little loving things you do

I got to tell the world about it
I ve got to stand right up and shout it
Hey! Look at lucky me

Ooh, baby Ooh, baby

I don t mind stormy weather
The rain no longer makes me blue
And I don t care when my friends all get together
And leave me out of everything they do

It s alright if the sun don t shine
It s impossible to darken my day
Makes no difference if I don t have a dime
I ll be wealthy anyway

Eb **C#**
Mmm, I m no good without you
Eb **C#**
But listen baby, as long as I got you
