

Lucky lucky me  
Marvin Gaye

A G A E

Lady Luck shows my love me  
Oh, When she blessed me with your loving charms  
I ve found my place in the sun  
With heaven right here in your arms

I feel so lucky, so lucky baby  
Oh, lucky to be loved by you  
And I wanna thank you, thank you baby  
For all the little loving things you do

I got to tell the world about it  
I ve got to stand right up and shout it  
Hey! Look at lucky me

Ooh, baby Ooh, baby

I don t mind stormy weather  
The rain no longer makes me blue  
And I don t care when my friends all get together  
And leave me out of everything they do

It s alright if the sun don t shine  
It s impossible to darken my day  
Makes no difference if I don t have a dime  
I ll be wealthy anyway

Mmm, I m no good without you  
**E** **D**  
But listen baby, as long as I got you
