(You re all,
       Like the sweet morning dew,
  Α7
(I need,
   I took one look at you,
      Cm/G
To get by...)
      And it was plain to see,
You were my destiny.
       G
(You re all,
       With my arms open wide,
  Α7
(I need,
   I threw away my pride,
      Cm/G
To get by...)
      I ll sacrifice for you,
Dedicate my life for you.
Verse 1:

      Cm/G

       Stand by you like a tree,
And dare anybody to try and move me.
(You re all,
       Darling in you I found,
  A7
(I need,
   Strength where I was torn down.
      Cm/G
To get by...)

                               Gmaj7
                                         Am7
Just to do what s good for you, and inspire you a little higher.
                         Cm
I know you can make a man, out of a soul that didn t have a goal.
Cos we, we got the right foundation,
        G
                   A7
And with love and de-termi-nation, you re all, you re all I:
Won t stop honey, do a little more y all,
                  C
All, all the joys, under the sun; you are the one.
