

Dont Let Me Come Home A Stranger
Mary Black

[Intro]

G

[Verse]

G

As I walked out one evening

C G D Em

To breathe the air and to sooth my mind

C G

I thought of friends and the home I had

C G Am D G C G

And all those things I left behind, woah-oh

[Verse]

G

A silent star shone on me

C G D Em

My eyes saw the far horizon

C G

As if to pierce this veil of time

C G/B Am D G C G

And escape this earthly prison, woah-oh

[Chorus]

D G

Will there come a time when the memories fade

C D Em

And pass on with the long, long years?

C G

When the ties no longer bind

C G/B Am D

Lord, save me from this darkest fear

G C G

Don t let me come home a stranger

Em D G C G

I couldn t stand to be a stranger

[Verse]

G

In this place so far from home

C G D Em

They know my name, but they don t know me

C G

They hear my voice, they see my face

C G/B Am D G C G

But they can t lay no claim on me, woah-oh

[Chorus]

Will there come a time when the memories fade
And pass on with the long, long years?
When the ties no longer bind
Lord, save me from this darkest fear
Don't let me come home a stranger
I couldn't stand to be a stranger

[Verse]

As I walk this universe
I free my mind of time and space
I wander through the galaxy
But never do I find my place, woah-oh

[Chorus]

Will there come a time when the memories fade
And pass on with the long, long years?
When the ties no longer bind
Lord, save me from this darkest fear
Don't let me come home a stranger
I couldn't stand to be a stranger
Lord, save me from this darkest fear
So, don't let me come home a stranger
I couldn't stand to be a stranger
