

**Fall At Your Feet**  
**Mary Black**

[Verse]

I m really close tonight  
I feel like I m moving inside him  
Lying in the dark  
I think that I m beginning to know him  
Let it go  
I ll be there when you call

[Chorus]

And whenever I fall at your feet  
Won t you let your tears rain down on me  
Whenever I touch your slow turning pain

[Verse]

Don t hide it from me now  
There s something in the way that you re talking  
Words don t sound right  
I hear them all moving inside you  
You know, I ll be waiting when you call

[Chorus]

And whenever I fall at your feet  
Won t you let your tears rain down on me  
Whenever I touch your slow turning pain

[Bridge]

The finger of blame has turned upon itself  
And I m more than willing to offer myself
