

Full Moon
Mary Black

[Intro]

G Bm Em C G

[Verse]

G

Everybody else has gone

Bm

But you re still here with me

Em C G

All the world is sleeping by and by

G

Through the windowpane

Bm

The frosted light is streaming in

Em C G

Full moon sailing high across the sky

C G

Tonight is like the night when we first met

C G D

I always knew I never would forget you

[Verse]

G

Come and hold me close

Bm

I miss you more than I can say

Em C G

I can t imagine how I pass the time

G

Wondering if you ll ever know

Bm

How much you mean to me

Em C G

I never dreamed there d be a change of mind

C G

Oh lover, this is where I want to stay

C G D

Maybe it could always be this way__

[Chorus]

G

Bm

Gentle music, rock away the sadnesses in me

Em G

Rock away my lonely yesterdays

[Instrumental]
