Pacific looking blue
My loved one looking fine
This is how it should be
All of the time
Dry berth by the ocean
Hey, this is real good
Maybe we can stay together
In Japanese Deluxe

[Verse]

I noticed the leaves this morning
It made me stop to think
So caught up in the days was I
Days without a link
I bow down to the totems
I bow down to look up__
Just cause I want to stay together
In Japanese Deluxe
Just cause I want to stay together
In this boat they call Deluxe
