[Verse]

New York was dark, dirty and stark, burning with yellow wings
Everyday come with fever and hum, who knows what it brings?
A-walking a wall without a thought, to fall and hit the ground
Ah, sweet Mary Jane with eyes like the rain, alive to the sound

[Chorus]

She don t mind the late night, late night radio
She don t mind the late night radio
She don t mind the late night, late night radio

[Chorus]

She don t mind the late night, late night radio
She don t mind the late night radio
She don t mind the late night, late night radio__
Na na, not at all
