Remember when I brought you here those long bright days ago
For all that time you ve been my heart and this land has been my soul
The long bright days are over now but still my heart beats on
But Jenny dear the soul has gone

Leaving all I ve ever been and every thing I am

It s time to go Jenny Drive quickly down the track
We ll never see what lies ahead if we keep on looking back
Behind us is just an empty house old memories and ghosts
And our small dreams gathering dust

Leaving all I ve ever been and every thing I am
