The Moon and St Christopher Mary Black (Mary Chapin-Carpenter)

Intro

When I was young I spoke like a child I      saw with a child s eyes  
    **G**                      **Am**                      **C**                      **Em7 D**  
And an open door was to      a girl like      the stars are to the sky  
    **G**                      **Am**                      **C**                      **D**  
It s funny how the world lives up to      all your expectations  
    **Em**      **Cmaj7**      **Em7**      **Em**      **C**      **Em7**      **D**  
With adventures for the stout of heart      and the lure of the open spaces  
    **Am**                      **Em7**                      **C**                      **D**  
There s two lanes running down this road  
    **G**                      **Am**  
And whichever side you re on  
    **C**                      **Em7 D**  
Accounts for where you want to go  
    **G**                      **Am**  
And what you re running from  
    **C**                      **D**  
Back when darkness overtook me      on a blind man s curve  
**Em**      **Cmaj7** **Em7**      **Em**      **C**      **Em7**      **C**

I relied upon the moon  
    **G**      **Am**      **D**      **D/F#**  
I relied upon the moon  
    **G**      **Am**      **D** **D/F#**  
I relied upon the moon and St Christopher  
    **G**      **Am**      **D**                      **G**      ( as intro )

Now I ve paid my dues      cause I have owed them      but I ve paid a price  
sometimes  
    For being such a stubborn woman      in such stubborn times  
I have run from the arms of lo      I have run from the eyes of friends  
    I have run from the hands of kindness      I have run just because I can

But now I ve grown and I speak like a woman  
And I see with a woman s eyes      and an open door is to me now like

The saddest of goodbyes but it s to late for turning back  
And I pray for the heart and the nerve

I rely upon the moon  
I rely upon the moon  
I rely upon the moon and St Christopher

**G Am D G Am D**

I rely upon the moon  
I rely upon the moon  
I rely upon the moon and St Christopher

**G Am D Cmaj7 Em7**

To be my guide

**Am G**
