

**Mountains To The Sea**  
**Mary Black**

[Intro]

**Em**

[Verse]

**Em**

Working coast to coast

**G**

Sleeping on a train

**D**

Caught between the settled life

**Am**

And on the road again

**Em**

People often ask me

**G**

Where it is Iâ€™m from

**D**

Find it hard to tell them

**Em**

**G**

So I say it in a song

[Chorus]

**C**

Eagle in the mountain

**Em**

Floating on the breeze

**D**

Shark out in the ocean

**Am**

Heâ€™s happy in the deep

**C**

Me, Iâ€™ve got my own place

**Em**

Itâ€™s good enough for me

**D**

**C**

You could find me anywhere

**Em**

Between the mountains and the sea

[Verse]

**Em**

I ve been a lot of places

**G**

Done a lot of things

**D**

Some of them were so good

**Am**

Iâ€™d do those things again

**Em**

The town that I was born in

**G**

It knows me all too well

**D**

I hope theyâ€™ll take me back there

**Em**

**G**

When the keeper rings the bell

[Chorus]

**C**

Ooh, but that eagle in the mountain

**Em**

Floating on the breeze

**D**

Shark out in the ocean

**Am**

Heâ€™s happy in the deep

**C**

Me, Iâ€™ve got my own place

**Em**

And itâ€™s good enough for me

**D**

**C**

You could find me anywhere

**Em**

Between the mountains and the sea

[Instrumental]

**C Em D C Em**

[Verse]

**Em**

Sometimes I stop and wonder

**G**

How it came to this

**D**

This life of lonely travelling

**Am**

So far from civil bliss

**Em**

Ooh, some people on the journey

**G**

Oh, some I ve loved so deep

**D**

Others took advantage

**Em**

Oh, and some had no idea

[Chorus]

**C**

Oh, but that eagle in the mountains

**Em**

Floating on the breeze

**D**

Shark out in the ocean

**Am**

Heâ€™s happy in the deep

**C**

Me, Iâ€™ve got my own place

**Em**

Itâ€™s good enough for me

**D**

**C**

You could find me anywhere

**Em**

Between the mountains and the sea

[Chorus]

**C**

Eagle in the mountains

**Em**

Rainbow in the sky

**D**

Shark out in the ocean

**Am**

Heâ€™s following the tide

**C**

Spirit of this country

**Em**

I hear it speak to me

**D**

**C**

When the wind is calling

**Em**

Between the mountains and the sea

**D**

**C**

When the wind is blowing

**Em**

Between the mountains and the sea

[Outro]
