

Nobody Lives Without Love
Mary Black

[Intro]

A

[Verse]

A

Seemed like I'd gone off the side of a mountain

C

Couldn't be sure I was even alive

D

Fallen from the icy heights

C

Landed with a broken cry

D

In this valley of shadows and sorrow and sighs

D

Can you save me, baby?

[Chorus]

Em **D** **C**

Nobody lives without love

Em **D** **C** **D**

Nobody gets to give up

G

C

D

You can try to lock your heart away

G

C

But love will come back for you some day

A

Nobody lives without love

[Verse]

A

Thought I could live out my life as a stranger

C

Hide from the heartbreak that love always brings

D

Make it to the higher ground

C

Try to turn the volume down

D

Couldn't stop the sirens from singing

D

Sing for me, baby

[Chorus]

Em **D** **C**

Nobody lives without love

Em **D** **C** **D**

Nobody gets to give up

G C D

You can try to lock your heart away

G C

But love will come back for you some day

A

Nobody lives without love

[Bridge]

Em C

You came along like a flash of pure lightning

D G A

Crashed into my life like a runaway star

Em C

Feel myself falling like gravity's angel

D

Now I'm standing here offering a stranger my heart

[Chorus]

Em D C

Nobody lives without love

Em D C D

Nobody gets to give up

G C D

You can try to lock your heart away

G C

But love will be back for you some day

A

Nobody lives without love

[Outro]

A
