[Verse]

Big, bad man s law doesn t carry much sway  
When you come around here  
You can still scratch my back  
And I can still change sides

[Verse]

Don t carry no torch til you have it in type  
That I m doing okay  
It s only one man s outlook  
It could be one more lie

[Chorus]

C  
Look at it closely  
G  
Counterfeit mostly  
Dm7  
Yesterday s brushwork  
Using yesterday s paint  
And everything that I believe  
And every note that you receive  
They re just vanities to you\_\_

Hear that Liverpool wind as I m making my way  
For the very last time  
Is this a resurrection?
