I found my way through the clouds
No more runnin scared and closing my eyes, oh
I will be true, this love from my heart
I m laying my life on the line

Oh, I will survive
As long as it s you by my side
I will survive
As long as it s you by my side

I m stronger, stronger, stronger
I m stronger, stronger, stronger

Sometimes I can t believe
That you are with me
There s nobody lucky as me

So I get on my knees
To make sure that He
Knows that I m grateful
For what He gave me

I will survive
I will survive
As long as it s you by my side
I will survive
I will survive

I m stronger, stronger
I m stronger, stronger

I m stronger, stronger
I will survive
