HEARTS (Mary Karlzen)

G   C   G   C
[intro]

G   C
  You and me, we got hearts of the same
G   C
  Go running off and leaving nobody left to blame
G   C
  This town will always look the same
G   C
  Where everybody knows everybody else s name
G   C
[instrumental]

And in this town where their minds are so small
Do they even have room to think at all
We build big bridges to cross great walls
[instrumental]

E   D
  And all your friends who think they re so clever
G   C
  Never understand how hearts can stay together
G   D   C   D
  Me and you, we go on forever, we go on, we go on and on
G   C   G   C
[instrumental]

Don t stop fighting in the rodeo
Pancho quit, now we re riding solo
We ll be sisters and brothers to one another
[instrumental]

And all your friends who think they re so clever
Never understand how hearts can stay together
Me and you, we go on forever, we go on, we go on

C   D

```
   Head out for the highway round midnight
G                     C
   You will not be found by my side
C                         C/G                   D       D
   There is something more behind these city lights, aaahhhh
G       C
Ahhh, tear out the city lights (??)
G   C   G   C   G   C
[guitar solo]

And all your friends who think they re so clever
Never understand how hearts can stay together
Me and you, we go on forever, we go on, we go on

C                         D
   Morning comes and you never say never
G                 C
   Some lives are meant to be lived together
G                 D                 C       D
   Me and you, we go on forever, we go on, we go on and on

Head out for the city lights
Head out for the city lights
We go on and on
```
