I D BE LYING (Mary Karlzen)

[Play in A, or play in G and capo at the second fret. I like playing
it in G and using x32013 for C in the chorus.]

A E D E A E D E A E D E A E D D

[intro]

A E D E
Hey, don t I know you, you look familiar

A E D E
Didn t we try to make it work one time

A E D E
I remember standing at the train station crying

A E D E
But the train s gone by me now and I can t say why

D D E E
Now the dust clouds have settled on the horizon

D D E E
And if I said I didn t miss you I d be lying

A E D E A E D E
Ohhh, I d be lying

Hey, don t I know you, we walked the same road together
Reaching for the same star in that same starry night
All the time I did believe we would go on forever
Till I saw the end of the road and I headed up the 5 (???)

Now the dust clouds have settled on the horizon
And if I said I didn t miss you I d be lying
Ohhh, I d be lying

[guitar solo, same chords as intro]

Hey, don t I know you, we shared some time together
We fought a lot, now we laugh just the same
There are times I wish I could forget and not remember
Do you ever think that we could get it back again

Now the dust clouds have settled on the horizon
And if I said I didn't miss you I'd be lying
Ohhh, I'd be lying
Ohhh, I'd be lying
Ohhh, I'd be lying

[Repeat **A E D E** and fade]
