I SEE YOU AGAIN (Mary Karlzen)

[Actually in F; capo 5.]

C Am Em G C Am Em G

[intro]

C Am
I thought about you the other day
Em G
So I followed up and wrote you this letter
C Am
It s not like I got much to say,
Em G
I just miss you sometimes
C Am
Well I know we were never meant to be
Em G
Like the summer wind and the winter s crashing sea
C Am
There is something I can t understand
Em G
When I look up

C G C G
I see you again, I see you again
Am Em
And like the summer wind that you are
C F F
You fly right up, here you are

And this long distance don t account for touch (?)
I hope (?) for you to live a little bit closer
Could it be that I am asking too much
Counting out
Everything I have today
Too much time and not enough words to say
For all the things that I could really mean
Really mean, really mean

I see you again, I see you again
And like the winter wind that I am
I ll fly right up, here I am

Em **F**
But I can hear you playing late at night
C **Am** **Em** **Em9**
The windows open and the wind blowing through
G **G**
Blowing through

[guitar solo, same chords as half a verse]

I guess that s all I ve gotta say
And nothing changes, nothing stays the same
Rip it up and throw it away
And watch the years go by

I know I know we were never meant to be
Like the summer wind and the winter s crashing sea
There is one thing I can t understand
When I look up

I see you again, I see you again
And like the summer wind that you are
G **G**
You fly right up

And I see you again, I see you again
And like the winter wind that I am
G **F** **F** **F** **F** **C.**
I ll fly right up, here I am, here I am, here I am
