The hunger just ain t enough

G G C C G G C C
So you hope and you pray that maybe some day love will come along and find you

G G C C
But it s never quite fast enough

D D C C D C
So you run, and you hide away, cause you just can t take it another day

D C G G C C
Oh baby, you gotta hold on, hold on

G G C C
It s gonna be a long time gone

I see something in your eyes, cause I know, I ve been there too
You can t be the only one to have things happen to you
You want for something you can t say or something you can t even touch
And you can t think of anything in this world you ve ever wanted as much

So you run, and you hide away, cause you just can t take it another day
Oh baby, you gotta hold on, hold on

It s gonna be a long time gone
It s gonna be a long time gone

G G C C G G C C

[guitar solo]

So you run, and you hide away, cause you just can t take it another day
Oh baby, you gotta hold on, hold on
It s gonna be a long time gone

It s gonna be a long, long, long time gone

Gone away, gone away, say goodbye, goodbye, goodbye

Gone away, gone away, say goodbye, goodbye, running from what you can t find

[repeat and fade on G G C C, ad lib.]
