And there was a time when I thought I knew you

Em Em A A G D A A

Time s forgotten crime, yours is long gone by

And I m ashamed to think of times we spent together
When I did show you everything
And heavens hope you can t remember all those secrets
And the pain that would bring

But there was a time when I could see through you
And there was a time when I knew every line
And there was a time when I thought I knew you

Em Em A A G D

Time s forgotten crime, yours is long gone by

A A G D A A

Yours is long gone by

And then you knocked me down and you stood so tall
The strangest look on your face

And I guess I never really knew you at all
I stand silent in this fool s place

But there was a time when we talked about the future
And there was a time when I believed every line
And there was a time when I thought I knew you
