The Girl You Thought You Knew (I m Sorry Baby)
By Mary Scholz

Lyrics:

Iâ€™m sorry baby but I tried **Am**
Sorry for telling you those lies **C**
Sorry for messing with your mind **Am**
I never meant to make you cry **E**

Woah

Am
Am **C**
You say you canâ€™t believe the things I do **Am**
Canâ€™t believe the words I say **E**
But Iâ€™m just trying to catch the truth **Am**
So I can throw the scars away **C**
Am
Well you had your distance to review **E**
You had your miles in the way

Am
Iâ€™m sorry baby but I tried **C**
Sorry for telling you those lies **Am**
Sorry for messing with your mind **E**
I never meant to make you cry

Woah

Am
Am **C**
Well Iâ€™m not the one you wanna hold on to **Am**
Iâ€™m just the one who got confused

E

Your eyes they can't see through the bruise

E From the girl you thought you knew **Am**

Am Well my lips are twisted and refuse **C**

E To find the words to say to you

I'm sorry baby but I tried **Am**

Sorry for telling you those lies **C**

Am Sorry for messing with your mind

E I never meant to make you cry

Am

Oh

C

Woah

Am

Oh

E

Oh

Am

You were everything, everything, everything

G

And I came so close to being, close to being, close to being

Am

All the things that I'm supposed to be, supposed to be, supposed to be

E

But am I supposed to be for you or just for me?

I'm sorry baby but I tried **Am**

Sorry for telling you those lies **C**

Am Sorry for messing with your mind

E I never planned to say goodbye
