**Masked Intruder**

tabbed by pooch831

**A**                      **C#m**                      **F#m**    **D**  
I Don t Wanna Be Alone Tonight.  
**A**                      **C#m**                      **F#m**    **D**  
You Don t Wanna Be Alone Tonight.  
**A**                      **E**                      **F#m**                      **D**  
I don t see why you and me can t be together, whenever  
**A**                      **C#m**                      **F#m**    **D**  
we don t wanna be alone tonight.

(same as above)  
I Don t Wanna Be Alone Tonight.  
You Don t Wanna Be Alone Tonight.  
I don t see why you and me can t be together  
whenever we don t wanna be alone tonight.  
**D**                                      **E**  
When you think that you re all alone  
**C#m**                                      **F#m**  
and you re feeling blue,  
            **D**                                      **E**  
just take a look in your back yard...  
**C#m**                                      **F#m**  
I m here for you.  
**D**  
I m here for you.  
**E**  
I m here for you-uhu.

the rest of the song is the progression from the verse  
**A C#m F#m D**

Enjoy!!
