**A** **F#m**  
I m in love, unrequited love

**A** **F#m E**  
Every single day is lonelier than the last  
**A** **F#m E**  
Cried so many tears that I had to wring out my mask  
**Bm**  
Eating my banana splits alone is awful cold  
**Dm**  
Life s so lonely when there s no one there to hold  
**Bm** **E**  
Seems cold and lonely is the way it s always gonna be

**A** **F#m**  
Cause I m in love, unrequited love  
**Bm** **Dm**  
Nobody cares for me
