**G** 5x0003

**A** x02220

Intro  $\mathbf{Em}$ ,  $\mathbf{Bm}$ ,  $\mathbf{D}$  - (x2)

Em, G, Bm

G, Bm, A

Em Bm D

Be here now

Em Bm D

no other place to be

Em G Bm

or just sit there dreaming

G Bm A

of how life would be

if we were somewhere better somewhere far away from all our worries well here we are

Bm G Em you, are the love, of my life.....

be here now no other place to be all the doubts that linger

and let good things happen and let the future come into each moment

like a rising sun

just set them free

Bm G Em G

you, are the love, of my life.....

Bm G Em

you, are the love, of my life  ${\bf A}$ 

D G
sun comes up and we start again
Em A X3
sun comes up and we start again

be here now

be here now no other place to be this whole world keeps changin come change with me

everything thats happened all thats yet to come is here inside this moment its the only one

you, are the love, of my life you, are the love, of my life yea you know you are

sun comes up and we start again (x 6)

and its all new today all we have to say is be here now
