Tuning: Standard (or 1/2 step down like most of Mason s stuff but capo on 1)

This song is pretty easy to play on the piano, even for somebody like me that isn t very good :)

If playing on piano, play C E G for C chord and switch to C F A for F chord.
Same for the others (**Am= A C E** and **Dm= A D F**) (**F= F A C** and **Bb= F Bb D**)

For the Chorus, (**C= C E G**) (**G= D G B**) (**F= C F A**)
