

The Field

Mason Jennings

--THIS IS NOT IN THE SAME KEY AS THE RECORDING--

It is five half steps higher than the recording. If you want to play along, transpose it down by 5 half steps...

G **D**
Every step I take takes me farther from you
D7 **C** **G** **D**
Every move I make reminds me that I ll always love you
G **D**
Since you were a child we built our lives around you
D **C** **G** **D**
How m I supposed to live in this world we made without you?

C **G** **D**
Sometimes late at night I go the field
C
Is that where you are?
C **G** **D**
Are you a shooting star?
C
Can you say my name?
C **G** **D**
Darling can you hear me?
C **G** **D**
Tell me where s your heart now that it stopped beating?
C **G**
It s right here, it s right here, it s right here

G **D**
When you joined the war we were so proud of you
D7 **C** **G** **D**
You seemed so grown up, living life the way we taught you
G **D**
Then your first letter came, it sounded nothing like you
D7 **C** **G** **D**
It took all my strength to keep myself from running to you

C **G** **D**
Sometimes late at night I go the field
C
Is that where you are?
C **G** **D**
Are you a shooting star?
C

Can you say my name?

C **G** **D**

Darling can you hear me?

C **G** **D**

Tell me where s your heart now that it stopped beating?

C **G**

It s right here, it s right here, it s right here

G **C** **G** **G** **C** **G**

And it will always be until the sun dries the ocean

G **C** **G** **C**

And you will always be my little one

(Pg 2)

Em **C** **G** **G** **Am** **C** **G** **G**

Em **C** **G**

If I was the President, if I was that man

Am **C** **G**

I would walk out with those kids, out across the sand

Em **C** **G**

If I was the President, if I was that brave

Am **C** **G**

I would take a shovel, then dig each child their grave

Em **C** **G**

If I was the President, and my world turned black

Am **C** **G**

I would want no victory, I d just want you back

Em **C** **G**

I don t want no victory, I just want you back

Am **C** **G**

I don t want no victory, I just want you back

Em **C** **G**

I don t want no victory, I just want you back

Am **C** **G** **D**

I don t want no victory, I just want you back

C **G** **D**

Sometimes late at night I go the field

C

Is that where you are?

C **G** **D**

Are you a shooting star?

C

Can you say my name?

C **G** **D**

Darling can you hear me?

C **G** **D**
Tell me where s your heart now that it stopped beating?

C **G** **D**
It s right here, it s right here, it s right here

C **G** **D**
It s right here, it s right here, it s right here

C **G**
It s right here, it s right here, it s right here

G **C** **G**
And It will always be
