Awesome Song Mason Musso Is AWESOME!!!

Intro: **C# A E B**

This Tab is 100% Correct!

C#

Her mother gave her away when she was born.

F#

From day one she felt like a child they didn't want.

E **B**

Her heart grows cold as she falls out of love with the world. (Yeah)

C#

And she didn't wanna cry, always for the night, everything that everybody told her was a lie.

A

Had nowhere to go always on the road not afraid to die she was out of control.

E **B**

And it's sad so sad she's a lost lost soul.

C# **E** **A**

And it's a long way, to nowhere without a destination.

C# **E** **A**

And not a road block or a emergency break could save her.

C#

She's on a runaway, runaway, runaway train.

E

Runaway, runaway, runaway train.

A

Runaway, runaway, runaway train.

C# **E** **A** **C#**

If she don't jump off, she's gonna crash and burn just like a runaway train.

C# **A**

Troubles she could never get out quicksand, like a tv show without the sound, hard to understand.

E **B**

She's slipping away, farther away from the world. (Yeah)

C#

And she could've blame me could've blame you.

C#

If I was in her face she would look right through.

A

We don't wanna see, overly the truth, only way to know is if we're walking in her shoes.

E **B** **E**

And it's sad so sad cause we're lost yeah we're lost lost souls.

C# E A

And it s a long way, to nowhere without a destination.
