

Lock And Key
Mason Proper

Hi, I was searching for this chords and I noticed that there s nothing on the net.. so I made It.
Tried to do my best.

C#m E A G#
E A

C#m E A G#
E A

C#m E A
We saw the sun was going down
C#m E A
through the iron bar spiderwebs
C#m E A
they turned the key
C#m E A
but we were already dead
C#m E A
we were already stone dead

E/F#m G# B/Cm#
We are the wind tonight
E/F#m G# B/Cm#
blowing up blowing down blowing left and right
E/F#m G# B/Cm#
shake shake cause we put that chill in your bones tonight
E/F#m Cm#
take that lock and key and shove it

C#m E A G#
E A

C#m E A G#
E A

C#m E A
Caught every lightning bug out in the yard
not a lone breath leaks the lips
as they come to grips with this.

G# C#m G#
We left them there and drifted west
G# C#m
when you and I coalesced

C#m **E** **A** æ|

Later on, one swore he saw us open the jar
all the chemicals luminesce in their chests
and shine right through
kinda like me and you
kinda like me and you do

E/F#m **G#** **B/Cm#**

We are the wind tonight
blowing up blowing down blowing left and right
shake shake cause we put that chill in your bones tonight
take that lock and key and shove it

Hope you like it.

Emanuele.
