

Edge Of The World

Mat Kearney

Eb **Ab**
Common get your hand in mine
Eb **Ab**
Gonna see all we can find
Eb **Ab**
The rainbows grow and the wild wind blows
Eb **Ab**
Gonna leave all the rest behind

Bb/D **Cm**
Cause I might have found
Bb **Cm**
The edge of the world
Ab/C **Eb/Bb** **Ab** **Eb**
Heaven rises inside your voice

Eb **Cm**
Do you see what I can see
Ab **Bb**
Singing ba pa da ba ba ba
Eb **Cm**
Dream a little dream with me
Ab **Bb**
Singing la la la la la la
Eb **Cm**

Painting outside the lines

Ab **Bb**
Maybe we can find the edge of the world
Maybe we can find the edge of the world

Jumping into the deep
Of all that we want to be
See the colors in my head
The purple and the red
Feel it falling down so free

Cause I might have found
The end of time
Oceans falling to your eyes

Chorus
