Tell me how long have I ve been running  
Running away from you  
All this fire in our hands ] canÂ´t get this part right!

Tell me how long has this been turning  
Turning into red  
All the tears that have been

I don t wanna wait til you re gone  
Tell you how things that are \_\_\_\_\_(?????)  
I dont have to be right this time

Chorus:

If you tell me that I m wrong  
Then I m wrong  
We ve been fighting for too long  
It s to late tonigh to call this the end  
You know that I belong in yor arms  
We ve been out here all along  
And I don t wanna loose you again  
So goodnight Elizabeth  
Goodnight Elizabeth

Verse:

Tell me how long have we ve been fighting  
Fighting for a reason  
We can have a hole in our hands ] can t get this exactly...

Tell me how long have we ve been riding  
Riding down those streets ]  
Where the fall sunset ends ] don t know if this is right...but sounded nice.

Pre-Chorus:

I don t wanna wait til you re gone  
Tell you all the things that are \_\_\_\_\_(?????)  
I dont have to be right this time

Chorus:

If you tell me that I m wrong  
Then I m wrong  
We ve been fighting for too long  
It s to late tonigh to call this the end  
You know that I belong in yor arms  
I ve been out here on my own ] this part is differente from the first one.  
And I don t wanna loose you again  
So goodnight Elizabeth  
Goodnight Elizabeth

Bridge:

I can t just go away  
Like it was all a mistake  
This is how you pray

Repeat last Chorus
