

Heart Of Gold
Mat Kerekes

Capo 5

(Intro)

C F C F

(Verse)

You said,

C

I m filled with chemicals, it s getting old.

F

I m cutting close to try to fit a mold.

C

F

I ve getting tired of being on my own.

Am

G

F

Man I swear that I never thought I d live this down.

Am

G

F

Man I swear that I never thought I d live this down.

You said,

C

I ve got this heart of gold, but down it goes.

F

My mind is going cold and my family knows.

C

F

I m getting tired of standing on my toes. But who knows?

Am

G

F

Man I swear that I never thought I d live this down.

Am

G

F

Man I swear that I never thought I d live this down.

I wrote

C

A letter back home, for a friend I know.

F

Carved in stone for family s heads to hold.

C

F

They re probably tired of being on their own. But who knows?

Am

G

F

Man I swear that I never thought I d live this down.

Am

G

F

Man I swear that I never thought I d live this down.
