Album: Love come save me

Please rate and comment

intro:

**Bb Eb F Bb** x2

**Bb Eb**

Speed up slow down,

**F Bb**

And still the world will keep on spinning around

**Bb Eb**

Be low be sad

**F Bb**

Where a wow will still be beating around

**Bb Eb**

Sayin love come save me

**F Bb**

To the outta on to the top of my lones

**Bb Eb**

Shape in no bake me

**F Bb**

Bet you take me anyway that it comes

**F Bb**

Got a brand new broken heart

**F Bb**

Got it on till on fell apart

**F Bb**

Been rasied from all your sins

**F Bb**

Not a chase not anything

**Bb**

Not anything

**Bb Eb F Bb**

No not anything

**Bb Eb F Bb**

Only the suffering

**Bb Eb F Bb**

Only the sin I m in

**Bb Eb F Bb Bb**

**Bb Eb**

Hold on let go

**F Bb**

Either way we are all a part of the show

**Bb Eb**

Turn out close in

**F** **Bb**

Still I cannot but wake up on a rim

**Bb** **Eb**

Where did we fall off

**F** **Bb**

In a nothing in beside of the tracks

**Bb** **Eb**

No race to call off

**F** **Bb**

There s no train coming and bringing us back

**F** **Bb**

Got a brand new broken heart

**F** **Bb**

Got it on till on fell apart

**F** **Bb**

Been raised from all your sins

**F** **Bb**

Not a trace not anything

**Bb**

Not anything

**Bb Eb F Bb**

No not anything

**Bb Eb F Bb**

Only the suffering

**Bb Eb F Bb**

Only the sin I m in

**Bb Eb F Bb Bb**

Only the suffering
