Cm	B	
No, don t you say you love me		
F		
When you don t love me		
G	Bb	
You only wanted me to be there when you fall		
Cm	B	
Now everything is changing		
F		
But you re not changing		
G	Bb	
Then say you ll blame me if i change at all		
Cm		
But i m the same		
B		
I m the same		
F		
It s just circumstances		
G	Bb	
They always spin around as far as i recall		
Cm	B	F
And then if we re not taking all our chances		
G	Bb	
One day regret will come and surely kill us all

Cm B F Cm
 And when i try to work it out
 B F Cm
 Just what this whole damn thing s about
 B B Cm
 You say we re running to be free
 B
 But it isn t me
 B
 It isn t me

It isn t
 Cm
 Me

Cm B
 We all have hearts for someone
 F
 We all have no one
 G Bb Cm
 We all have everything conceivable between
 B
 Bold ideas of sorrow
 F
 Pain and redemption
 G Bb Cm
 Where is the love i need to keep me off my knees?

Where is escape?
 B
 Where is escape?
 F G Bb Cm
 Where is the final battle fought upon for my soul to see?
 B
 Where all the ways to break me
 F
 They give up on me
 G
 And all the ways to live
 Bb
 They come to rescue me

 Me

G# G
 And after all this time i thought
 Cm B F
 well i can t go on just keeping saying nothing
 G# G
 I ll scream until these lungs are raw
 Cm B F
 If it means that i at least stood up for something
 G# G
 You won t kill me with those words you say
 Cm B F
 And i will never change in my direction
 G# A
 Because maybe it s just all a game
 Cm B F
 And i will never fall at your suggestion
 G#
 Until it all
 G
 Until it all

Falls away...
