

Numb

Mat McHugh

My first Tab

Its in D tuning

The lyrics are a bit off, if you have any corrections send me a pm and ill correct it

Little lick in between Chorus and verse

Played 4 times order is A then B, A the B

```

d|---8s10---5-----|
A|---8s10---5-----|
F|-----|
C|-----| A
G|-----|
D|-----|

```

```

d|---8s10---5-8---3-----|
A|---8s10---5-8---3-----|
F|-----|
C|-----| B
G|-----|
D|-----|

```

Verse 1

```

      C                      Am
So tell me now what it is that you think that i ve done
      C                      Am
Its cold around here, that your loving i m ???
      C                      Am
So crucify me, if it makes you feel alright
      C                      Am
But im around if you gte lonely tonight

```

Chorus

```

      F                      G
Lets say goodbye now and let it go
      Am          G/B          C
Cause loving you like this is never easy
      F                      G
You ll be my girl always you know
      Am          G/B          C
But it doesn t mean that you will be with me
      F                      G          C
Time takes away the pain eventually

```

Verse 2

C **Am**
Every day ends, but another will come
C **Am**
And i wont forget it, never let it undone?
C **Am**
Seems half a ??? will buy a better man than i
C **Am**
and ima try beleive that a pen aint holding your might?

Chorus 2

F **G**
Lets never fall or ever ride
Am **G/B** **C**
but ima get through, no hurry in reason
F **G**
Knelt down before in paradise
Am **G/B** **C**
and said you never knew one thing about freedom
F **G** **C**
Time slowly washes by the seasons

Chorus

F **G**
Lets say goodbye now and let it go
Am **G/B** **C**
Cause loving you like this is never easy
F **G**
You ll be my girl always you know
Am **G/B** **C**
But it doesn t mean that you will be with me
F **G** **C**
Time takes away the pain eventually
