 San Quentin, what good do you think you do?

Do you think I ll be different when you re through?

You bent my heart and mind and you may my soul,
And your stone walls turn my blood a little cold.

San Quentin, may you rot and burn in hell.

May your walls fall and may I live to tell.

May all the world forget you ever stood.

And may all the world regret you did no good.

San Quentin, you ve been livin hell to me.
