Matchbook Romance

G **C** **Em**
We drive tonight, and you are by my side. We re talking about our lives,
C **D** **G**
Like we ve known each other forever and time flies by.
C **Em**
With the sound of your voice, its close to paradise,
C **D**
with the end surely near
G **D** **Em**

And if I could only stop the car and hold on to you,
C **D**
and never let go, I d never let go.
G **D** **Em**
As we round the corner to your house you turn to me and said
C
I ll be going through withdrawal of you
D
for this one night we have spent
G **D** **Em**
And I want to speak these words but I guess I ll just bite my tongue
C **D**
And accept someday somehow, as the words that we ll hang from
G **D** **Em**
And I, I don t wanna speak these words,
C **D**
cause I, I don t wanna make things any worse
G **D** **Em**
And I, I don t wanna speak these words,
C **D**
cause I, I don t wanna make things any worse
C **D** **G**
Why does tonight have to end?

D **Em**
Why don t we hit restart, and pause it at our favorite parts
C **D** **G** **D** **Em**
We ll skip the goodbyes. If I had it my way, I d turn the car around
C **D**
And runaway, just you and I.
G **D** **Em**
And I, I don t wanna speak these words,
C **D**
cause I, I don t wanna make things any worse
G **D** **Em**
And I, I don t wanna speak these words,

cause I, I don t wanna make things
