I m marking it down to learning

**F Bb F**  
Don t think that i can take another empty moment  
**F Bb F**  
Dont think that i can fake another hollow smile  
**Bb Dm Bb**  
It s not enough just to be lonely.  
**F Bb F**  
Don t think that I could take another talk about it

**C**  
Just like me you got needs  
**Dm Bb C**  
And they re only a whisper away  
**C**  
And we softly surrender  
**Dm**  
To these lies that we ve  
**Bb C**  
tendered away

**Bb F C Dm**  
No i would not sleep in this bed of lies  
**Bb F C Dm**

I **Am**

**F** **Bb** **F**  
Don t wanna be the one who turns the whole thing over  
**F** **Bb** **F**  
Don t wanna be somewhere where i just dont belong

Where it s not enough just be sorry  
**F** **Bb** **F**  
Don t you know I feel the darkness closing in

**C**  
Tried to be more than me  
**Dm** **Bb** **C**  
And I gave til it all went away  
**C**  
And we ve only surrendered  
**Dm** **Bb** **C**  
To the worst part of these winters we ve made

**Bb** **F** **C** **Dm**  
But i would not sleep in this bed of lies  
**Bb** **F** **C** **Dm**  
So toss me out and turn in

And there ll be no rest for these tired eyes

I m marking it down to learning  
**Bb**  
I **Am**

**Dm**  
I am all that I ll ever be  
**C** **Dm**  
when you lay your hands over me  
**Gm**  
but don t go weak on me now

I know that it s weak  
**Bb** **C**  
But God help me I need this

**Bb** **F** **C** **Dm**
