Intro : D C G C (repeat twice)

```

D                Em                C                C
You think this life would make me bolder but I m running scared is all
D                Em                C                C
I hang on everything about you

```

```

D                Em                C                C
You think I d settle down cuz I m older but I roll with the changes is all
D                Em                C                C
I m same old trailer trash in new shoes

```

```

D                C                G                C
She gets sad when theres nothing going on yeah
D                C                G                C
She says it makes her feel damn worthless

```

(chorus 1)

```

-----
D                C                G                C
Well you got to think with a girl like that any love at all,
                D                C                G                C
Is better than nothing it s better than nothing

```

```

I put my hands around your shoulder you re say you re scared is all
I think I know too much about you
You think this life would make me colder, I d give in to the alcohol
I put my loving arms around you, child

```

You know damn well there was nothing going on

is that what makes you feel damn worthless

(chorus 2)

-----

well you got to think with a girl like that any love at all,

is better than nothing it s better than nothing

you got to think with a girl like that

any love at all, is better than nothing

it s better than nothing

Em C D  
yeah she drags you down and she pull you up she pulls you up

Em C D  
says she s sorry now but its not enough to pull you up

Em C D  
she s sorry

I wake up quick just like I want to  
yeah but she stays out much too late

You think this life can get a bit unkind but she stays  
down till the worth is gone

And she pulls you up, she pulls you up  
she pulls you up and over and over
