

Hand Me Down
Matchbox Twenty

Tuning: Standard tuning with a capo on the 1st fret.

[Intro] (x2)

C F

[Verse 1]

C

Someday they ll find our small town world,
On a big town avenue,

F

Gonna make you like the way they talk,
When they re talking to you,

C

Gonna make you brake out of your shell,
Cuz they tell you to,

F

Gonna make you like the way they lie,
Better than the truth,

Am

They ll tell you everything,
You wanted someone else to say,

F

They re gonna brake your heart.

[Chorus]

C

From What I ve seen,

G

Dm

You re just one more hand me down,

F

But no one s tried to give you,

C

What you need,

G

Am

Lay all your troubles down,

F

I am with you now.

[Verse 2]

C

Somebody oughta take you in,
Try to make you love again,

F

Try to make you like the way they feel,
When they re under you skin.

C

Never once to you think that they would lie,

When they re holding you,

F

You wonder why they havn t called,

When they said they d call you,

Am

You start to wonder,

If you re ever gonna make it by,

F

You ll start to think,

You where born blind.

[Chorus]

C

From What I ve seen,

G

Dm

You re just one more hand me down,

F

But no one s tried to give you,

C

What you need,

G

Am

Lay all your troubles down,

F

I am with you now.

[Bridge]

Am

I m here for the hard times,

E

The straight to your heart times,

C

When living ain t easy

D

You can stand up against me,

F

And maybe rely on me and

G

Cry on my, yeah

[Solo]

C F

[Verse 3]

C

Someday the ll open up your world,

F

Shake it down to the very core,

C

Do their best to change you,

F

They still can t erase you.

[Chorus]

C

From What I ve seen,

G

Dm

You re just one more hand me down,

F

But no one s tried to give you,

C

What you need,

G

Am

Lay all your troubles down,

F

I am with you now.

[Outro]

C F
