CAPO 2

**B C# Ebm**  
I want to make you sing, darlin

**B C# Ebm**  
I want to make you run

**B C# Ebm**  
I want to sew on wings, darlin

**B C# Ebm**  
And fly right over the sun

**B C# Ebm**  
There s a bustle in the wind, darlin

**B C# Ebm**  
There s a bustle in the road

**B C# Ebm**  
I want to tell you what I see, darlin

**B C# Ebm**  
When I look over to you

**F# C# Ebm B**  
See I believe in everything

**F# C# Ebm B**  
But sometimes life don t work that way

**F# C# Ebm B**  
All the love, and all the waiting

**F# C# Ebm B**  
I don t want to wait no more

**F# C# Ebm B**  
I don t want to wait no more

**B C# Ebm**  
Some people want to bring the change, darlin  
Some people want to be the one  
I only want to see your face smilin  
When all our livin is done

**B C# Ebm**  
Well everyone around us feel their heart is stomping  
Crowding up the air with words they cannot know  
They hate this world they ll hate this song, ya  
So I won t ever belong  
No I won t ever belong

**F# C# Ebm B**

Still I believe in everything  
But sometimes life don t work that way  
All the love, and all the waiting  
I don t want to wait no more  
I don t want to wait no more

**B C# Ebm**  
Is every conversation  
**B C# Ebm**  
Gonna make you smile and hold your heart  
**B C# Ebm**  
We ll take this life and make it dark  
**B C# Ebm B C# Ebm**  
Because it s hard enough to be the way you are

**F# C# Ebm B**  
See I believe in everything  
But sometimes life don t work that way  
All the love, and all the waiting  
I don t want to wait no more  
I don t want to wait no more

Well I believe in everything  
But sometimes life don t work that way  
All the love, and all the waiting  
I don t want to wait no more  
I don t want to wait no more
