CAPO 2

D E F#m
I want to make you sing, darlin

D E F#m
I want to make you run

D E F#m
I want to sew on wings, darlin

D E F#m
And fly right over the sun

D E F#m
There s a bustle in the wind, darlin

D E F#m
There s a bustle in the road

D E F#m
I want to tell you what I see, darlin

D E F#m
When I look over to you

A E F#m D
See I believe in everything

A E F#m D
But sometimes life don t work that way

A E F#m D
All the love, and all the waiting

A E F#m D
I don t want to wait no more

A E F#m D
I don t want to wait no more

D E F#m
Some people want to bring the change, darlin
Some people want to be the one
I only want to see your face smilin
When all our livin is done

D E F#m
Well everyone around us feel their heart is stomping
Crowding up the air with words they cannot know
They hate this world they ll hate this song, ya
So I won t ever belong
No I won t ever belong

A E F#m D

Still I believe in everything
But sometimes life don t work that way
All the love, and all the waiting
I don t want to wait no more
I don t want to wait no more

D E F#m
Is every conversation
D E F#m
Gonna make you smile and hold your heart
D E F#m
We ll take this life and make it dark
D E F#m D E F#m
Because it s hard enough to be the way you are

A E F#m D
See I believe in everything
But sometimes life don t work that way
All the love, and all the waiting
I don t want to wait no more
I don t want to wait no more

Well I believe in everything
But sometimes life don t work that way
All the love, and all the waiting
I don t want to wait no more
I don t want to wait no more
