

Bm E
Some people want to bring the change, darlin
Bm E
Some people want to be the one
Bm E
I only want to see your face smilin
A E D

When all our livin is done

Ponte 1:

Bm E
Well everyone around us feel their heart is stomping
Bm E
Crowding up the air with words they cannot know
Bm E
They hate this world they ll hate this song, ya
A E D
So I won t ever belong
A E D
No I won t ever belong

A E D E
See I believe in everything
A E D
But sometimes life don t work that way
A E D E
All the love, and all the waiting
D
I don t want to wait no more
D E
I don t want to wait no more
refrão

Ponte 2:

E
Is every conversation
D A
Gonna make you smile and hold your heart
D A
We ll take this life and make it dark
D E
Because it s hard enough to be the way you are

A E D E
See I believe in everything
A E D
But sometimes life don t work that way
A E D E
All the love, and all the waiting
D
I don t want to wait no more
D E
I don t want to wait no more

Bm D A E
See I believe in everything
Bm D A
But sometimes life don t work that way
Bm D A E
All the love, and all the waiting

D

I don t want to wait no more

D E

I don t want to wait no more

No more, no more
