VERSE

```
D              Bm              D
This will all fall down like everything else that was
              Bm              Em
This too shall pass and all of the words we said
              A              G
We can t take back
```

```
D              Bm              D
Now every fool in town would ve left by now
              Bm              Em
I can t replace all the wasted days
              A              G
The memory of your face - can t help thinkin
```

BRIDGE

```
Em              D              Bm              D
Maybe if we ever coulda kept it all together
              Em              D              Bm              D
Where would we be
              Em              D
A thousand lost forever
              Bm              D              Em              D
And the promises you never were giving me
              A
Here s what I m thinking
```

CHORUS

D A
 It won t be the first - heart that you break
 Em G
 It won t be the last - beautiful girl
