A

It s amazing

F#m

how you make your face just like a wall

F#m

how you take your heart and turn it off

E D

how I turn my head and lose it all

A

It s unnerving

F#m

how just one move puts me by myself

F#m

there you go just trusting someone else

E D

now I know I put us both through hell

D

I m not saying

E

there wasn t nothing wrong

A

A/G#

F#m

I just didn t think you d ever get tired of me

D

I m not saying

E

we ever had the right to hold on

A **A/G#** **F#m**
I just didn't wanna let it get away from me

D
But if that's how it's gonna leave
E
straight out from underneath

F#m
then we'll see who's sorry now

D
If that's how it's gonna stand, when

E
you know you've been depending on

A **A/G#** **F#m**
the one you're leaving now

D **E**
the one you're leaving out

A
It's aggravating

how you threw me on
F#m
and you tore me out

how your good intentions turn to doubt

the way you needed time to sort it out

Tell me is that how it's going to end

when you know you've been depending on

the one you're leaving now

and the one you're leaving out
