A | ----x----- |
E | ----3----- |
```

verse:

```
D                Gadd2                Bm
Morning falls like rain into the city life
                Dsus2
There goes another night
D                Gadd2
Losing my breath in waves
                Bm                Dsus2
Knowing that every crash is bleeding the hourglass
                D
and taking the strife
```

Pre-chorus:

```
                Esus4                Asus4
And we don t feel so alive
```

Chorus:

```
D                G
So goodbye, these days are gone
                D                G
and we can t keep holding on
                Em                G
When all we need is some relief
                D G
Though these hard times
                D G
```
