Verse|

```

D9   E
All day
Asus2           F#m
Staring at the ceiling making
D9           E           F#m
Friends with shadows on my wall
D9   E
All night
Asus2           F#m
Hearing voices telling me
           D9
That I should get some sleep
           E
Because tomorrow might be good for something

```
