

**The Calling**  
**Matija (Germany)**

[Verse]

**F**  
Talking in my dreams with both eyes closed  
**C**  
Heaven in my arms and hell below  
**Am**  
Driving down memory lane  
**Em**  
Ride into a wall  
**F**  
Living in a world of possibilities  
**C**  
With 20 billion buildings in a single street  
**Am**  
But not a home  
**Em**  
For a single soul to grow

[Pre-Chorus]

**F** **C**  
But I could let you see  
**Am** **Em**  
That you are just like me

[Verse]

**F**  
Driving in my dreams with both eyes closed  
**C**  
Heaven is on earth and 10 feet tall  
**Am**  
Driving down a fast lane  
**Em**  
Ride into a wall  
**F**  
And Iâ€™m living in a world of possibilities  
**C**  
With 20 billion people not knowing  
What they wanna be  
**Am** **Em**  
And no one knows what is there to hope

[Pre-Chorus]

**F** **C**  
But I could let you see  
**Am** **Em**  
That you are just like me

**F C**

Let everybody else just say

**Am Em**

That we are not the same

[Chorus]

**C**

Can you hear me calling

**Am**

Hoping and Iâ€™m falling

**Em**

**Am**

Can you hear me calling out your name

**C**

Can you hear me calling

**Am**

Hoping and Iâ€™m falling

**Em**

**Am**

Can you hear me calling out your name

[Post-Chorus]

**C**

Standing in the way

**Am**

Caught between two shades

**Em**

Trying to walk your way

**F**

But everything turns to grey

**C**

Standing in your way

**Am**

Caught between four shades

**Em**

Trying to go your way

**F**

But you turn to grey

[Pre-Chorus]

**F**

**C**

And I could let you see

**Am**

**Em**

That you are just like me

[Chorus]

**C**

Can you hear me calling

**Am**

Hoping and Iâ€™m falling

**Em**

**Am**

Can you hear me calling out your name

**C**

Can you hear me calling

**Am**

Hoping and Iâ€™m falling

**Em Am**

Can you hear me calling out your name

[Outro]

**C Am**

Calling out your name
