

Bal Shem Tov  
Matisyahu

Capo 3

Am G C  
On a day when a man was born, up from one world to another  
Am G C  
I don't know who you are, even when we face each other  
Am G C  
When I wake up I know you're here this is everything that you've done  
Am G C  
I've got nothing to fear cause the battle's already been won.

[Chorus: x2]

Am G  
This is the time of divine favor  
C  
Sublime love cuts like a razor  
Am G  
Burning up our fear and pain  
C  
Ascend in fire like a laser beam  
  
Am G C  
Search heaven and the seven seas  
Am G C  
The answer lies inside you  
Am G C  
You know it won't come easy  
Am G C  
You've got to find your own truth

Am G  
When I returned to the lower garden  
C  
I saw many souls living and dead  
Am G  
Rushing back and forth  
C  
Descending from one world to the next  
Am G C  
The joy was too great for ears to hear or for words to express  
Am G C  
All will be forgiven for our stolen time & debts

Am G  
Ask me to come with them  
C
