Capo 3

Gm. **F.** **Bb**
On a day when a man was born, up from one world to another
Gm. **F.** **Bb**
I don't know who you are, even when we face each other

When I wake up I know you're here this is everything that you've done
Gm. **F.** **Bb.**
I've got nothing to fear cause the battles already been won.

[Chorus: x2]

Gm. **F**
This is the time of divine favor
Bb
Sublime love cuts like a razor
Gm. **F**
Burning up our fear and pain
Bb
Ascend in fire like a laser beam

Gm. **F.** **Bb**
Search heaven and the seven seas
Gm. **F.** **Bb**
The answer lies inside you
Gm. **F.** **Bb**
You know it won't come easy
Gm. **F.** **Bb**
You've got to find your own truth

Gm. **F.**
When I returned to the lower garden

I saw many souls living and dead
Gm. **F**
Rushing back and forth

Descending from one world to the next

The joy was too great for ears to hear or for words to express

Ask me to come with them
