

Bal Shem Tov  
Matisyahu

Capo 3

**G#m** **F#** **B**  
On a day when a man was born, up from one world to another  
**G#m** **F#** **B**  
I don t know who you are, even when we face each other  
**G#m** **F#** **B**  
When I wake up I know you re here this is everything that you ve done  
**G#m** **F#** **B**  
I ve got nothing to fear cause the battle s already been won.

[Chorus: x2]

**G#m** **F#**  
This is the time of divine favor  
**B**  
Sublime love cuts like a razor  
**G#m** **F#**  
Burning up our fear and pain  
**B**  
Ascend in fire like a laser beam

**G#m** **F#** **B**  
Search heaven and the seven seas  
**G#m** **F#** **B**  
The answer lies inside you  
**G#m** **F#** **B**  
You know it won t come easy  
**G#m** **F#** **B**  
You ve got to find your own truth

**G#m** **F#**  
When I returned to the lower garden  
**B**  
I saw many souls living and dead  
**G#m** **F#**  
Rushing back and forth

**B**  
Descending from one world to the next  
**G#m** **F#** **B**  
The joy was to great for ears to hear or for words to express  
**G#m** **F#** **B**  
All will be forgiven for our stolen time & debts

**G#m** **F#**  
Ask me to come with them
