

Bal Shem Tov  
Matisyahu

Capo 3

**Bm.** **A.** **D**  
On a day when a man was born, up from one world to another  
**Bm.** **A.** **D**  
I don't know who you are, even when we face each other  
**Bm.** **A.** **D.**  
When I wake up I know you're here this is everything that you've done  
**Bm.** **A.** **D.**  
I've got nothing to fear cause the battle's already been won.

[Chorus: x2]

**Bm.** **A**  
This is the time of divine favor  
**D**  
Sublime love cuts like a razor  
**Bm.** **A**  
Burning up our fear and pain  
**D**  
Ascend in fire like a laser beam  
  
**Bm.** **A.** **D**  
Search heaven and the seven seas  
**Bm.** **A.** **D**  
The answer lies inside you  
**Bm.** **A.** **D**  
You know it won't come easy  
**Bm.** **A.** **D**  
You've got to find your own truth

**Bm.** **A.**  
When I returned to the lower garden  
**D**  
I saw many souls living and dead  
**Bm.** **A**  
Rushing back and forth  
**D**  
Descending from one world to the next  
**Bm.** **A.** **D**  
The joy was too great for ears to hear or for words to express  
**Bm.** **A.** **D**  
All will be forgiven for our stolen time & debts

**Bm.** **A**  
Ask me to come with them  
**D**

Cause of the glory of your contemplation

**Bm.** **A**

You've been given eyes to see

**D**

Looking for a prophet to accompany me

**Bm.** **A**

A long lost soul alone

**D**

Fly with my very own set of wings

**Bm.** **A**

I reached the highest heights

**D**

Knocking on the door of the king of kings

[Chorus: x2]

**Bm.** **A**

This is the time of divine favor

Sublime love cuts like a razor

**Bm.** **A**

Burning up our fear and pain

It's your fear to lose

And I can't lose it for you

Death or life so choose
